DEPARTMENT OF COMMERCE AND INDUSTRY.

EMIGRATION.

Simla, the 21st August 1915.

No. 13753-W.—The following regulations respecting certificates of origin for foreign goods imported into Russia are published for general information :—

REGULATIONS CONCERNING PROOF OF ORIGIN OF FOREIGN GOODS.

I. The following will be accepted as proof of the origin of goods subject to customs duty at the rates of the "Conventional," or, as the case may be, "General" Tariff for European trade :—

1. Certificates of origin issued by : (*a*) Russian diplomatic and consular officers, with the official seal affixed ; (*b*) Chambers of Commerce, Municipal or Police Authorities, with the official seal affixed ; (*c*) Customs houses discharging the goods from the country whose products are assessed in Russia at "Conventional" rates, or, as the case may be, "General" rates of the Tariff ;
2. Accounts, invoices, or letters of manufacturers, wholesale stores, merchants, commission offices and traders.

II. The documents enumerated in point 1 (letters *b* and *c*) and point 2 of section I will be recognised as sufficient proof of origin only when the said documents have been attested by Russian diplomatic or consular officers, if there be such in the country of origin. Not only the signatures in the documents must be so attested, but also the accuracy of the statements regarding the origin of the goods indicated. In the case of accounts, invoices, and letters of foreign manufacturers, etc. (point 2 of section I), the above officials must also certify that the persons submitting these documents do in fact possess the commercial or industrial undertakings in the name of which the documents are submitted.

NOTE.—In countries where there are no Russian diplomatic or consular representatives, the documents may be attested by English, French, or Belgian diplomatic or consular officials, according to a list sanctioned by the Minister for Foreign Affairs.

III. Should (Russian) Customs establishments experience any difficulties in interpreting the foreign text of documents presented, the owner of the goods must, on demand, submit a translation in Russian, certifying the correctness of the same with his signature.

IV. The documents referred to in section I will be accepted only if issued by persons residing, or institutions established in the country of origin of the goods, and not in countries through which they are being conveyed in transit.

V. These documents must contain information as to the quantity of packages, their marks and numbers, gross and net weight, and a description of the goods by their technical or trade name, the following exceptions being admitted :—

(*a*) In proof of origin of articles assessed in the Tariff not by weight but by piece, documents will be accepted without indication of the net and gross weight ;
(*b*) In documents concerning vessels (ships), the dimensions may be indicated by gross capacity in tons.
(*c*) The net weight need not be given in the case of the following : all goods assessed in the Tariff by gross weight, and all goods allowed a deduction for tare if imported in packing specifically named in the Tare Table sanctioned by the Minister of Finance.
(*d*) Slight disparities in the marks and numbers of goods' packages, as compared with the entries in the documents, need not disqualify the documents if the Customs authorities have no doubt that the documents refer to the goods imported.

VI. It is sufficient to present one of the documents indicated in section I if the goods come to Russia direct from the country of origin.

VII. By direct importation of goods from the country of origin is to be understood :

(*a*) the carriage of goods from a port of the country of origin to a Russian port without transhipment and without discharge at a port of a third country ;
(*b*) the carriage of goods by rail or by a mixed route, by rail and by steamer, with through waybills or bills of lading, if the place of despatch indicated in these documents is situated within the boundaries of the country of origin, and the place of destination is any interior or frontier point of Russia, even if the goods have to be conveyed *via* other countries to the products of which favourable tariff rates are applied.

VIII. The conveyance of goods through German, Austro-Hungarian, or Turkish territories, as also the transhipment or discharge of goods at ports of these countries, shall deprive the goods of any right to favourable tariff rates.

IX. On the delivery of goods imported indirectly from the country of origin the following will be required :

1. For goods coming from Customs warehouses, in addition to one of the documents indicated in section I, a certificate of a Custom house of the country from which the goods are imported into Russia to the effect that the packages indicated in the said documents were not released from the warehouses of that Custom house, and indicating by what waybills or bills of lading they were despatched directly to Russia. This certificate must be attested by Russian diplomatic or consular officials ; and
2. For goods acquired in a foreign interior market, a certificate of origin from Russian diplomatic or consular officials, indicating that the goods, on delivery into that country, did not pass in transit through German, Austro-Hungarian or Turkish territory, and were not transhipped or discharged at ports of those countries.

X. Goods specified in the appended list, on direct import into Russia from the country of origin, do not require certificates of origin. If these goods are imported indirectly from the country of origin, they require a certificate of the Custom house of the country from which they were despatched direct to Russia, this certificate indicating the country of origin, the point whence the goods were received at the place where the Custom house issuing the certificate is situated, and the routes by which the goods were proceeding to Russia. This certificate must be attested by a Russian diplomatic or consular officer.

NOTE.—At the desire of the owners of the goods, instead of the Customs certificate mentioned in this section, documents mentioned in sections I and IX may be presented.

XI. Asiatic goods, imported by Persian, Afghan, Mongolian and overland Chinese frontiers, do not require certificates of origin.

XII. In goods' declarations, when the amount of the duty depends on the country of origin, the owner must indicate the country of origin, otherwise the declaration will be returned for the insertion of this information.

XIII. Documents showing the origin or place of despatch of goods (sections I to X) may be presented at Custom houses at the time of import of the goods together with the lading documents, or on delivery of the declaration, or afterwards with a separate statement handed in previous to the discharge of the goods from the Custom house, but in any case, not later than six months from the date of arrival of the goods at the Custom house.

XIV. On inspection of the goods the Customs authorities must see that the proofs of origin presented correspond with the goods, and in cases of reasonable doubt, must verify the proofs, apart from the documents referred to above, and make an expert examination of the goods.

XV. If the number of packages of goods presented for inspection should be found to be less than that entered in the documents of origin, this circumstance alone should not be a reason for refusing to recognise the goods as subject to assessment under the "Conventional" or, as the case may be, "General" Tariff, and the documents of origin must not be returned to the owner of the goods. If the latter declares that the missing packages will be delivered later, the Custom house must, on his written request, deliver to him a copy of these documents, with a note on the same explaining the circumstances.

XVI. The documents indicated in sections I to X of these regulations, delivered at Custom houses with postal declarations, will be recognised as proof of origin of goods imported in postal parcels. For goods, received in parcels, delivered to addressees direct from Custom houses (section 617 of the Customs Code, 1912, Supplement), proof of origin may also be presented by the receivers on the same basis as is established for the presentation of proof of origin of goods inspected according to declaration.

XVII. For goods inspected without inspection documents in the cases provided for in sections 197, 199, 257, 391, 398 and 417 of the Customs Code, proof of origin will be accepted on the same basis as is established for goods inspected according to declarations.

XVIII. Documents of origin, as also other documents, after payment of Customs duties on the goods, shall be sent to the competent Control Chambers with the inspection documents.

XIX. In the absence of proofs of origin, or non-compliance of the same with these regulations, the goods will be assessed for duty according to the rates established for goods of German, Austrian, and Turkish origin.

XX. Exemptions from the stipulations of these regulations may be made in exceptional cases on the special authorisation, in each separate case, of the Minister of Finance.

GOVERNMENT OF INDIA TERMINABLE LOAN.

Notice as to the Conditions on which the Public May Subscribe through the Post Office.

The Government are raising this year's loan in a new form carrying 4 per cent interest. It will be repaid in full not later than November 1929, but Government can repay it if they wish any time after October 1920.

2. Rupees 4¼ crores have already been raised in the usual way by the receipt of applications at Calcutta, Madras, Bombay and other large centres, and, so far, the loan is now closed. But in addition a special opportunity is being given to persons who wish to take up the loan in small amounts, whether they are savings bank depositors or not, of subscribing through the nearest post office which transacts savings bank business.

HOW TO SUBSCRIBE.

3. Applications through the post office can be made any time up to the 30th October.

4. Applications must be for even hundreds of rupees and for not less than Rs. 100 and not more, in the case of any one applicant, than Rs. 5,000.

NOTE.—An applicant may apply for the new loan up to Rs. 5,000, notwithstanding that he already holds 3½ per cent. Promissory notes previously purchased through the post office.

5. A person desiring to apply must fill up the form below, which can also be obtained at any post office which transacts savings bank business. He must at the same time pay the full amount for which he applies. For this purpose he can use the money in his savings bank account if he is a savings bank depositor, or he can pay in cash direct. The applicant may go to the post office himself or send a messenger. All amounts paid will be acknowledged.

6. For every Rs. 100 which the applicant pays he will receive Government Promissory notes for the same amount.

CUSTODY OF PROMISSORY NOTES.

7. The notes may either be kept by the applicant in his own custody or, if he prefers, they may be retained in the custody of the post office authorities on his behalf. He should state which method he prefers in filling up the form of application. If he wishes to keep the notes himself, the post office will advise him when they are ready for delivery, and, on his presenting himself personally, they will be made over to him. If he decides to leave them with the post office, his personal attendance will not again be required, but the post office will send him an intimation in due course that they have been received and are held on his behalf. Should he at a later date desire to keep the notes himself, they will then be made over to him

PAYMENT OF INTEREST.

8. Interest at 4 per cent. a year will be paid half-yearly, *i.e.*, 2 per cent. on the 31st May and 2 per cent. on the 30th November every year. For the broken period from the date of subscription to the 30th November next, interest will be paid in cash at the time the Promissory notes are delivered if the applicant keeps them himself, or will be credited into the savings bank account mentioned in the next paragraph if he leaves the notes in the custody of the post office authorities.

9. If the applicant decides to leave his Promissory notes in the custody of the post office authorities, the latter will draw the interest for him regularly each half-year and credit the amount into a savings bank account which will be opened for this purpose in his name. The post office will also inform him from time to time whenever interest is thus received. No charge will be levied for this service, and no income-tax will be deducted in making the half-yearly payments of interest.

If he keeps the Promissory notes himself, income-tax will be deducted from interest in the usual way at the time the half-yearly payments are made.

SALE OF PROMISSORY NOTES.

10. If at any time a savings bank depositor who holds Promissory notes in this new loan, which have been purchased through the post office by the procedure here described, desires to sell them again, or any part of them, the post office will arrange [illegible] charging brokerage or other fees. Full particulars as to this [illegible] from the post office at any time.

2. കല്ക്കത്തയിലും മദിരാശിയിലും ബൊമ്പായിലും മറ്റു പ്രധാന സ്ഥലങ്ങളിലും അതാതുസ്ഥലങ്ങളിൽ സ്ഥിരമിട്ടു സാധാരണ മാതിരിയിലെ നാണയങ്ങൾകൊടി ഈപ്പടിക ശേഖരിച്ചു കഴിഞ്ഞിരിക്കുന്നു. അതുപോലെ സംബെസ്ഥിച്ചേടത്തൊക്കെ കടം വാങ്ങൽ ഇപ്പോൾ നടപ്പാക്കിച്ചിരിക്കുന്നു. എന്നാൽ ഇതിനു പുറമെ സേവിങ്ങ്സ്ബാങ്കിൽ പണം കെട്ടിയി

നിക്ഷേപം തുടങ്ങുകയും ചെയ്യുന്നതിനു മുമ്പ് പ്രത്യേക അവസരം കൊടുക്കുകയും ചെയ്യുന്നതിനും.

Madras, 31st August 1915.

T. RAGHAVIAH,
Secretary.

It is hereby notified that applications for appointments in the Imperial Customs Service will be received by the Commissioner of Salt, Abkari and Separate Revenue Department from Indians who are natives of the Madras Presidency, who have received a good education and are of good character and social position. The names of selected candidates will be entered in a register maintained by the Government of India, and their claims will be considered on the occurrence of vacancies in the service.

2. Forms of applications may be obtained from the Secretary to the Commissioner. Applications must be addressed to the Secretary to the Commissioner and must reach him on or before 15th October 1915 and must be accompanied by—

(i) A certificate or other satisfactory evidence of the date of birth,

(ii) A certificate of character and conduct, signed by the Principal of the educational institution in which the applicant last studied for not less than one year or by some responsible officer of Government, and

(iii) A certificate by a Medical officer of Government or qualified medical practitioner regarding the applicant's general health.

3. Applicants must be graduates of a recognised University or must possess other evidence of a high standard of education. They must be under 25 years of age and be prepared to appear in Madras, at their own expense, before the Commissioner, on such days as may be appointed by him.

4. The candidate finally selected by the Government of India will be appointed on probation for two years and will be required to pass departmental examinations in Hindustani and in Customs Law and Procedure. He will be given Rs. 250 a month in the first year of his probation. In the second year, he will be paid Rs. 300 a month on passing either part of the departmental examination prescribed, and, on completion of two years' service, he will be paid Rs. 400 a month, subject to the condition that he has passed the departmental examinations in full and is confirmed in the department. Thereafter, his pay will be fixed according to the general time scale (referred to in the next paragraph), Rs. 300 being taken as the starting point. It will be open to the Government of India, at any time, to terminate the probationer's probation and to dispense with his services.

5. At present, the Imperial Customs Service consists of twenty-six appointments and is constituted as follows:—

1 Collector, class I, on Rs. 2,500 a month	Three of these appointments are reserved for members of the Indian Civil Service.
2 Collectors, class II, on Rs. 2,250 a month each ..	
2 Collectors, class III, on Rs. 2,050 a month

18 Non-Civilian Assistant Collectors on Rs. 300 rising to Rs. 1,150 by annual increments of Rs. 50, and then by biennial increments of Rs. 50 to Rs. 1,400. This number includes also three probationers.	

28

Officers posted to Calcutta, Bombay and Rangoon are given a local allowance varying from Rs. 75 to Rs. 250 a month.

All appointments to the Collector's grade, whether acting or permanent, will be made by selection, and seniority will not necessarily give any Assistant Collector a claim to a Collectorship; and, once the rank of Collector is attained, Civilians and non-civilians will be on the same footing for the purposes of promotion. Increments may be drawn by officers who have been confirmed in the department from the date on which they are due; but the Government of India reserve to themselves the right of withholding or withdrawing such increments on account of misconduct or inefficiency. All time spent on leave with allowances, on foreign service or on deputation on special duty will count as service for increment, in the absence of orders in any particular case to the contrary; time spent on leave without allowances will not count, subject to the provision of article 180 B of the Civil Service Regulations.

6. All officers of the Imperial Customs Department are liable to transfer, from port to port, throughout India, including Burma.

M.R.Ry. Diwan Bahadur Govindas Chathurbhoyadas Garu.
M.R Ry. Rao Sahib C. Ramanujam Chetti Garu,

110. Read, approved and recorded the minutes of the proceedings of the previous meeting held on Friday, the 6th August 1915.

111 The Audit Report of the Accountant-General on the Port Trust Accounts for the year 1914-15, having been circulated was ordered to be recorded.

112. Read again Port Trust Board Resolution No. 284, dated the 10th January 1913. Read Revenue Department G. O. No. 739, dated the 24th March 1915, subsequently modified by Revenue Department G O No 1570, dated the 8th July 1915. Read also a note by the Chairman submitting for approval by the Board a draft of a yearly lease for the tenure to the Corporation of Madras, for road-widening purposes, of two small plots of land on the north and south respectively of the west wall of the late Clive Battery.

Resolved that the draft lease be approved and that the Chairman arrange with the President of the Corporation for the transfer of the land on the terms contained in the draft lease.

113 Read again G O. No. 118, Marine, dated the 25th March 1914, sanctioning the temporary diversion, for the construction of merchants' warehouses, to cost, with equipment, 11½ lakhs, part of the fifty-lakh Government loan sanctioned in G O No. 127, Marine, dated the 29th March 1913.

Read a note by the Chairman (on leave) dated the 31st July 1915, explaining that, if the capital works that are now in hand continue to be pushed towards completion at their present rate of progress, the whole of the capital funds at the Trustees' disposal are likely to be depleted by the middle of the year 1916-17, while many of the works in hand will still remain unfinished because of the facts that (a) the loans for the warehouses which, in the former of the two Government orders read above, Government promised to help the Trust to raise has not yet been raised, and (b), the effect of war conditions on the trade of the port has been that, for at least a couple of years, the Trust will be unable to make its usual contribution of 3½ lakhs a year from the revenue surplus for expenditure on capital works.

Resolved that Government be asked to enable the Trust to borrow the Rs 18 lakhs above referred to, as well as another Rs. 9 lakhs for two works not yet sanctioned but pointed out by the Chairman as being necessary in paragraph 8 of his note, dated the 19th May 1914 forming Appendix XVIII of the Port Trust Administration Report for 1913-14. Resolved also that the loan, if sanctioned, be drawn in more or less the following instalments, viz :—in 1916-17 Rs. 12 lakhs, in 1917-18 Rs 7 lakhs, in 1918-19 Rs. 5 lakhs and in 1919-20 Rs. 3 lakhs, and that it be paid off in the same manner

as the Trust's existing loans, *viz.*, in equated monthly payments of principal and interest for final amortisation on the same date as the present loans, *viz.*, on the 15th July 1952—the date on which it is intended that the harbour shall be quite debt-free.

114. Read note by the Acting Chairman on the subject of storage charges on gunpowder and fireworks stored in the Trust's magazine.

Resolved that, subject to the sanction of Government under section 44 (1) of Madras Port Trust Act II of 1905, clause 7 (*d*) of the scale of rates should be amended so as to read—

Storage of explosives.—For such explosives as the Trust is licensed to store in its magazine the following scale of storage will be charged after the expiry of the same free days as are allowed to other imports :—

Two pies per pound per month or part of a month for the first year.

For the second year—twice the above rates.

For the third and subsequent years—three times the above rates.

Storage will be charged on the gross tonnage of consignments and must be paid monthly.

115. Recorded that on the 7th August 1915 the Collector of Madras made over to the Port Trust land forming part of R.S. No. 3128 of Tondiarpet and also a portion of an unsurveyed block, as directed in paragraph 2 of G.O. No. 1034, Revenue, dated 1st May 1915.

116. Resolved that the Madras Act No. II of 1915 (an Act to amend the Madras Port Trust Act, 1905) received the assent of the Governor on the 24th June 1915 and that of the Governor-General on the 26th July 1915 and was promulgated for general information. *Vide* page 721, Part IV of the *Fort St. George Gazette*, dated 10th August 1915.

117. Sanctioned a list of claims amounting to Rs. 241-1-0 paid during July 1915.

118. The following statement comparing harbour dues collected in and up to the end of July 1915 with those for the corresponding period of the previous year was ordered to be recorded :—
